WHEREAS, Southern by application to the Interstate Commerce Commission (the "Commission"), sought and obtained an Order of the Commission dated May 21, 1976, authorizing the assumption of obligation and liability in respect of not exceeding \$16,830,000 principal amount of the Certificates pursuant to the terms of the Agreement by endorsing on each of the Certificates its unconditional guaranty of the prompt payment, when due, of the principal thereof and the dividends thereon, all for the purpose of obtaining for itself, its successors and assigns, the possession and use of and ultimately the title to the Equipment; and

WHEREAS, the Assignee, an "Affiliate" of Southern as that term is defined in the Agreement, desires to acquire from Southern, and Southern is willing to assign to the Assignee, all of the right, title and interest of Southern in and to the Agreement insofar as they relate to that portion of the Equipment hereinafter described, but no further and without releasing Southern from any of its obligations thereunder; and

WHEREAS, the Assignee by joining in the aforesaid application of Southern to the Commission sought and obtained authorization in the aforesaid Order of the Commission to assume obligation and liability in respect of not exceeding \$1,890,000 principal amount of the Certificates insofar as they relate to that portion of the Equipment hereafter described, having a total estimated cost of \$2,362,500; such assumption to be on the terms stated in said Order;

(2) The Assignee hereby accepts said transfer and assignment and assumes and hereby agrees to perform all of the covenants and obligations of Southern under the Agreement insofar as they relate to the Assigned Equipment, in accordance with the provisions thereof.

(3) Nothing in this Assignment contained shall relieve Southern of any of its obligations under the Agreement.

(4) The obligations and liabilities assumed by the Assignee hereunder, insofar as they relate to the Certificates, pursuant to said Order of the Commission, shall not exceed the sum of \$1,890,000.

(5) Notwithstanding any other provisions of this instrument the obligation and liability assumed by the Assignee hereby shall be enforceable only by Southern and such obligation and liability shall not be enforceable by the Trustee under the Agreement or by the holders of any of the Certificates.

(6) This Assignment shall inure to the benefit of and shall be binding upon the successors and assigns of the parties hereto.
